Story

A young girl called Lila wants to become a firework-maker, like her father Lalchand. Despite her talents, Lalchand believes this is an unsuitable job for girls. Lila disagrees, and journeys to get Royal Sulphur from Razvani the Fire-Fiend at Mount Merapi, as all aspirant firework-makers must do.

PSHE

In this lesson we will understand how to maintain a healthy lifestyle. We will look closely at physical activity, rest, healthy eating and dental health. We will identify the benefits of these areas. Finally, you will create a video to instruct people in one of these areas.

<https://classroom.thenational.academy/lessons/health-hero-c8w6ac>

ART

In this lesson, pupils will use a cupcake structure to collage upon. They will create a cupcake using ripped paper, small shapes (eg. squares and rectangles), large shapes and much bigger shapes, that create a more abstract outcome. This lesson includes some physical activity and equipment beyond pen, paper or pencil. Please make sure your child is adequately supervised.
