Story

The first book in the series follows Hiccup as he captures a dragon as a rite of passage and attempts to train him so that he will not be exiled from Berk, as is its tradition for young Viking boys on this island. Led by their teacher, Gobber the Belch, Hiccup manages to catch a small dragon, whom he names Toothless, and attempts to train it through his own methods. .

Dreams and Goals

Lesson 1 – What are your dreams for the future?

Think about short term and long-term dreams and write them down. What do you want to achieve in the next week? month? year? once you are a grown up?

Lesson 2 – Broken Dreams

What does it mean to be resilient?

Look at each of these scenarios and think –
How might it feel? What might the person do in that situation?
How could they overcome the hurt that this situation might cause?
How could they be more resilient?

- Emma and Oliver are promised a puppy which is then not allowed in the flats where they live.
- The holiday is cancelled because a relative of Roisin has to go into hospital.
- Farida breaks her leg before her gymnastics competition.
- Issa thought he would be selected for the school football team but finds out he is only the reserve.

Introduction to collage and experimentation with paper

In this lesson, pupils will create a variety of experiments using paper to create different collages. They could be ripped or cut, layered or spaced-out, neat or messy. Pupils will find that collage has a wide variety of possible outcomes. This lesson includes some physical activity and equipment beyond pen, paper or pencil. Please make sure your child is adequately supervised.
