PSHE

In this lesson we will understand how to maintain a healthy lifestyle. We will look closely at physical activity, rest, healthy eating.

Create a balanced diet plate.

Healthy Eating Meal

Science

In this lesson, we will be learning about living things and the features of living things. All living things need to be able to breathe, produce waste, grow and change, feed and reproduce. We will then finish the lesson looking in more detail at different types of diets that animals may have. You will need a piece of paper, a pencil and most importantly your brain!

Art & Design

Why is colour important in art?

In this lesson, we will be thinking all about how colours can make us feel. We will begin to learn about the properties of colour and how to select colours for our art to express an emotion.
