'Placing learning at the heart of everything we do'

30 November 2022

TO: PARENTS OF CHILDREN IN YEARS 1 - 6

Dear Parents

Seesaw Parent Workshop - TUESDAY 6 DECEMBER 2022

We have been running Seesaw since COVID as a method of supporting the children in their learning at home. It now functions as our homework platform where children can view a range of activities, and respond to them with pictures, text or videos.

You are invited to a short workshop on Tuesday, 6 December to explore the use of Seesaw and how your child can use it to support their learning at home.

There will be a short demonstration and time for any questions, which we will do our best to answer at the time.

The workshop will begin at 2.45 pm in the school hall and end at approximately 3.05 pm. On the day, please enter via the main entrance and we look forward to seeing as many parents as possible.

Yours sincerely

E Clifford
