How parents can help...

- Help your child to be in school on time every day having eaten breakfast and had a good night's sleep.
- Encourage your child to be 'Spikey' and follow school rules.
- Remember to praise your child for their good behaviour (it is so easy to forget to do this and to give most attention to your child when they are behaving inappropriately).
- Discuss time and a place with regards to behaviour, some behaviour at home may not be appropriate in school.
- Think about what your child watches on TV and the games they play on the computer or tablet, your child will copy the behaviour they see.
- If your child comes home having said there was an incident at school, listen to them about the incident and talk to them calmly about their behaviour and what they could do next time.
- Let the school know if you have any worries about your child and their behaviour.
- Use Spikey's Rules at home - follow them yourself and help your child/ren to follow them to, use them to discuss behaviour when things go well and when things aren't going quite so smoothly!
