Background

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6.

This applies to both mainstream and non-mainstream settings. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport we offer.

This means that the premium should be used to:

Develop or add to the PE and sport activities that our school already offers, build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

There are 5 key indicators that schools should expect to see improvement across:

- The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
- The profile of PE and sport is raised across the school as a tool for whole school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport.

Provision of Sports Training for Staff

- Ensuring the school PE resources reflect the needs of both the curriculum and its growing numbers on roll through the maintenance & replacing of broken equipment.
- Ensuring the quality of the physical education, particularly team, racket & net and some outdoor adventurous activities through the employment of Up & Under qualified sports coaches to deliver at least 1 session of PE each week to pupils in KS1 & KS2.
- The completion of the school hall extension and the ability to now store large pieces of gymnastic equipment safely.
- The provision of weekly swimming sessions to all pupils in Year's Five & Six.
- The provision of one sporting after school club each week.

Extend the range of after school sports activities:

- Bikeability for Yr6.
