11 February 2026

Dear Parents and Carers

School Meals – Price Increase from 13 April 2026

As we all know, everything continues to go up in price and schools are no exception.

After an annual review, our meal supplier has informed us that they have had to make the difficult decision to put their costs up to £2.65 per meal. Unfortunately, as a school we are unable to absorb these additional charges.

The increase is due to the continued high price of ingredients and the rise in staffing costs.

We will, therefore, be increasing the cost of a school meal from £2.60 to £2.65 per meal with effect from 13 April 2026. Meals will continue to be ordered in the same way via your ParentPay account. Pupils in EYFS - Year 2 and Free School Meal pupils will not be affected.

We understand that these are challenging times for everyone, and this is not a decision that we have taken lightly, but we are confident that this still represents extremely good value for money.

Yours sincerely,

L Coles
