## Literacy

Write a postcard home, pretending that you are at the beach. What information could you include? Where have you been? What have been doing? What is the weather like? What ice cream did you choose?

A postcard template with a stamp and a Twinkl logo. The postcard is white with a blue border. It features a vertical line on the left side, a stamp in the top right corner, and four horizontal lines for writing. The Twinkl logo and website address are in the bottom left corner.

### Sandcastle Cut and Stick Sheet

Count the sandcastle decorations in each group. Cut them out and stick half of each group on to each sandcastle.

## Understanding the world

Look at these pictures of the beach, from the past and now. What has changed? What is different/the same?

Speak to your grandparents about what their beach holidays used to be like! Do they have any pictures? Do they sound like your holidays now?
